

**NEHEMIAH — WEEK 8**

**Ruins, Rebuild, and Resurrection Power**

**1. WHERE THIS MET ME IN THE DITCHES**

*Nehemiah rebuilt walls. I am rebuilding trust, integrity, boundaries, thought life, obedience, home, identity, or something else the Spirit has revealed.*

*What ruins in my life need more than structure — they need surrender?*

**2. SYSTEM OR SAVIOR?**

*Am I leaning on structure more than Christ? Discipline more than dependence? Appearance more than transformation?*

*Have I preserved the system but muted the Spirit?*

---

---

---

**3. PROCLAMATIONS — WHAT CHRIST HAS WRITTEN ON MY HEART**

*Because of Christ: I rebuild because God lives in me. I fight with resurrection power. I am being transformed internally.*

*Write your own proclamation:*

**Signature of surrender:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**4. WHERE THE SPIRIT IS CALLING ME TO OBEY**

*This week I will take one concrete step: have the hard conversation, confess hidden sin, forgive, rest instead of perform, establish a boundary, remove something defiling, or return to daily communion.*

**5. THE FINAL APPEAL**

*If they could rebuild with Law over them, how much more should I walk faithfully with God in me?*

*I will not come down into fear, compromise, or performance.*

**"O God, strengthen my hands."**
